# Kateryna Levchenko

Back-End Development student with some Front-End Development skills who works with the Java-based framework SpringBoot. With the passion for coding I have attended a Full Stack Development bootcamp and now in the process of finishing my graduation project (Back-End). I am now eager to translate my newly acquired knowledge into a full-time position to sharpen the existing skills and gain experience, accompanied by personal growth.

## Opleidingen

### Full Stack Development Bootcamp

feb. 2022 - feb. 2023

NOVI Hogeschool, Utrecht

As a part of this curriculum, I have gained technical skills in Front-End Development, including working with Webstorm, Node.js, React, concepts of JavaScript, HTML5, CSS3. The past months I have been studying Back-End Development and that includes IntelliJ IDEA, concepts of Java in the context of the SpringBoot framework.

Other skills that I have gained during the bootcamp experience, are:

Git/GitHub;  
PostgreSQL;  
Maven;  
Postman.

### English Language and Literature
